CONNECTICUT (September 12, 2017) – Recently, [MarineMax Norwalk](#) and [MarineMax Westbrook](#) launched the [Service Express](#) mobile app in the Connecticut area to make scheduling boat service easier.

“We are excited to provide a new and convenient way to schedule your service in advance! We all lead busy lives, and sometimes we forget to schedule appointments. Now you don’t have to worry, just tap the MarineMax Service Express app, complete a few simple, quick steps and your maintenance or repair will be scheduled,” stated David Dzurilla, MarineMax General Manager.

Available on both Android and iOS, this mobile app is set to revolutionize the boating service industry. Customers are now able to download the app, register their boat, and schedule their service in advance all with the touch of a finger. The [MarineMax Service Express](#) app is one more way that they are the boating leaders.

“With colder weather approaching, customers are scheduling their winterization services and the MarineMax Service Express app makes it very easy. All you have to do is download it, create your profile, and submit your winterization request,” continued Dzurilla.
