### Digital Webinar Offered From MDCE Keynote to All Marine Dealers

MINNEAPOLIS, MN. March 15, 2018 — Through a partnership with Grow Boating and the Marine Retailers of the Americas, the 2017 Marine Dealer Conference & Expo Opening Keynote presenter, Tim Sanders, will be hosting a live webinar on March 27, 2018.

At the 2017 Marine Dealer Conference & Expo, New York Times Best Selling Author and top-rated keynote speaker, Tim Sanders presented to marine dealerships on using digital technology to find and keep new customers, and provided attendees with tips on securing talent in their businesses.

“We are so thankful to the Grow Boating team for introducing us to Tim Sanders and partnering with us to bring him to MDCE as the Opening Keynote Speaker in 2017,” says Liz Walz, MRAA’s Vice President. “Tim’s dedication to helping the marine dealer community improve and grow through digital technology goes far beyond most keynote speakers. This webinar and all the related tools and resources he has made available on our website are just a few examples of that.”

During the upcoming webinar, How Digital Can Supercharge Your Dealership, Sanders will be providing updates on the key takeaways he discussed during his MDCE keynote address and will answer any questions that marine dealers may have about today’s digital technology.

“Tim Sanders’ insights regarding the impact of digital marketing, and his MDCE keynote follow-up, will be invaluable to dealers in our industry,” says Tim Hennagir, Editor of *Boating Industry*.

The webinar, made possible by Grow Boating, is free and open to everyone in the marine industry. Register for Tim Sanders webinar, [here](#).
