

MARINEMAX DALLAS NOW CARRIES GALEON YACHTS

DALLAS, TX (April 25, 2018) – [Galeon Yachts](#) will now be available at [MarineMax Dallas](#).

“We are ecstatic that MarineMax continues to grow with Galeon by expanding the line to their Dallas, Texas store. This is a fantastic opportunity for this boating community to discover the innovation and quality that have become the hallmark of Galeon Yachts,” stated Bob Burke, Galeon Yachts Brand Manager.

Each Galeon yacht is a piece of handcrafted excellence. Established in 1982, Galeon is one of Europe’s leading boat manufacturers, with more than 200,000 square feet of production and assembly halls and more than 900 experienced employees and craftsmen. More than 30 years of experience and a commitment to quality has led to spectacular growth and satisfied customers around the world. Galeon designs, conceived by top naval architects such as Tony Castro or Roberto Curtò, assure unparalleled modern styling and convenience. They are committed to providing exceptional design, top-notch innovation, and unparalleled craftsmanship in all of their boats.

“Galeon yachts are true luxury models, and we are so happy to have them at our store. We invite you to stop by and view these beauties in person!” mentioned Kevin Chapman, MarineMax General Manager.

[MarineMax](#) is proud to offer a wide array of boats and yachts from the best brands available along with providing everything needed to enjoy the boating lifestyle.
