**RE: Press Release: United Yacht Sales Opening New Office At Seaborn Marina**

**Stuart, Florida (May 10<sup>th</sup>, 2018)** – [United Yacht Sales](#), one of the largest professional yacht brokerage firms in the world, has opened another New York office with yacht sales professional Mordy Miltz at Seaborn Marina in Bay Shore, New York. This new office is in addition to the United office at Jones Inlet Marina in Freeport, NY and the 1000 Islands Division office at Bonnie Castle Marina in Alexandria Bay, NY. This new location provides United Yacht Sales with a presence near one of the top boating destinations in New York – Fire Island – which is only 4 miles away from Seaborn.

“Seaborn Marina is a beautiful, full-service marina with 100 slips right on the South Shore of Long Island and we think Mordy and team will do really well servicing all of our boating clients in the area,” said United Founder and CEO Peter Schmidt. “We have more than 25 offices now worldwide and over 150 brokers. Our goal is to continue growing United to give our brokerage clients access to an unprecedented network of buyers and sellers seen in the industry.”

Mordy Miltz, a professional yacht broker and Vice President of the Spencer Christopher Division of United, has been in the industry since 2010 and is an avid canyon fisherman and boater. Mordy participates in several major fishing tournaments such as, Mid-Atlantic 500, White Marlin Open, Hamptons Invitational and Blue Water Movements. Mordy Miltz has additional offices in Long Island, NY and in South Florida allowing him the opportunity to capture much of the eastern seaboard. His personal availability and undoubted customer service resonates with seasonal and stationary clientele.

Seaborn Marina is also a dealer for Mercury Outboards, Volvo Penta engines, and Seakeeper Gyro Stabilizers, in addition to servicing all major boat brands.
