

MARINEMAX VACATIONS LAUNCHES NEW WEBSITE

CLEARWATER, FL (May 10, 2018) – [MarineMax Vacations](#) has released their all-new website. With an updated look and feel the MarineMax Vacations website is now easier than ever to navigate and provides even more resources for those looking for a yacht charter.

“We are excited to optimize our digital presence by providing our customers with a fresh new experience. This will allow them to navigate the information and target the exact content that they are looking for,” stated Dave Bigge, Regional President of MarineMax.

This new website is MarineMax Vacations’ first step in enhancing the digital customer experience. The goal is to provide relevant content to users along their path to planning their trip of a lifetime.

They have invested in robust website technology to provide visitors with a more dynamic and optimized experience that displays content related to what type of charter experience they are interested in, including boat options, crew options, destination options, frequently asked questions, vacation charter experiences, and much more.

[MarineMax Vacations](#) is excited to bring these changes to their customers and will be continuing their steps in optimizing their digital presence. To experience the new MarineMax Vacations website for yourself visit www.MarineMaxVacations.com.
