

S&J Yachts Adds New Brokerage Office in Palmetto, FL

S&J Yacht Sales, with offices in Annapolis and Rock Hall (MD), Deltaville (VA) and Charleston (SC), is very pleased to announce the opening of their first Florida office in Palmetto, just a few steps from Regatta Pointe Marina, one of the largest marinas in West Florida.

Located just south of the metro Tampa Bay area and situated on Florida's Gulf Coast, the new office will represent several new boat brands and feature access to S&J's extensive brokerage listings. Managing the new office is long time industry veteran Bill Bolin, who spent 29 years at Island Packet Yachts as their VP of Sales and Marketing. Bringing an extensive depth of boating knowledge and a keen focus on customer relations, Bill specializes in new boat builds, project management and helping pre-owned boat buyers find the right boat to fit their sailing lifestyle.

S&J Yachts represents Island Packet, Discovery, Southerly, Blue Water Catamarans, Delphia (power and sail) and Seaward Yachts. Their new Florida office is located at 323 10th Avenue West, Suite 105, Palmetto, FL 34221. Contact information and details on available new and used boats may be found at www.sjyachts.com

Enjoy the weekend.
