

AZIMUT GRANDE 35 METRI WINS ROBB REPORT'S "BEST OF THE BEST"

Azimut Grande 35 Metri won the prestigious "Best of the Best" awarded each year by Robb Report, one of the most influential magazines in the luxury industry. The yacht's key features won universal high praise, from the spacious and versatile outdoor spaces designed by Stefano Righini, to Achille Salvagni's interior design.

She keeps on surprising, amazing and, above all, **winning**. Azimut Grande 35 Metri, the shipyard's flagship, is **winning the hearts of juries at all the most renowned international awards** and has now received her sixth prize since the beginning of the season. The jury of the US edition of Robb Report, the well-known magazine that represents an authority in the luxury sector, has chosen the "Queen of the Grande Collection" as the **best motoryacht in the category between 100 and 200 feet**.

The innovative model from the Grande Collection, launched in September last year, is a joint effort by **Stefano Righini**, who took care of the exterior design, and **Achille Salvagni**, who designed the bright and tastefully furnished interiors: Robb Report's jury was fascinated and won over by the work of both.

Among the most surprising features in the exterior areas are the **two beach clubs** and the large **balconies**, the most spacious in the category. Designer Righini was praised in particular for the solutions devised, carefully ensuring that every outdoor space can be exploited for a precise purpose, without sacrificing guests' comfort. In the aft relaxation area, for example, placing the garage on the side means that the stern is left completely free for a magnificent 12 m² beach area provided by the big pivoting swim platform.

Achille Salvagni has been referred to as a "master" of interior décor for his choice of flowing lines used to create a warm and welcoming atmosphere for the interiors, furnished with **unique pieces and sculptures**.

The names of the winners have been announced in a online preview and will be published in the June edition of Robb Report.
