Obexer's Boat Company, Homewood, CA
Now Offers ValvTect Marine Fuels

Buffalo Grove, Illinois, June 20, 2018 - ValvTect is pleased to announce that "Obexer's Boat Company" in Homewood, CA has joined their family of over 600 certified ValvTect marinas marketing ValvTect Marine Gasoline.

Obexer's traces its beginnings to 1911 when its progenitor, Jacob P. Obexer, first laid his eyes on the beautiful Lake Tahoe.

Nearly a century later, the Obexer's legacy continues into its fifth generation with Sarah Obexer at the helm of the enterprise backed by a wonderful team of experienced, hard-working employees who aid her in the daily operation of the marina. Obexer's Boat Company endures into the 21st Century as one of the oldest continuously operated family businesses anywhere on the Lake, celebrating the indomitable vision and tendril of its forbearers.

Marvin Griffin, President of ValvTect Petroleum Products welcomes Obexer's to the growing network of Certified ValvTect Marinas. "Obexer's is a first class marina offering outstanding services and many amenities. We are pleased that local boaters and those traveling to Homewood, CA now have another premier marina to fill-up at with high quality ValvTect Marine Fuels" he stated.

"We are pleased that Obexer's Boat Company has chosen ValvTect Marine Fuel for their customers", stated Rick Henson, Regional Sales Manager for ValvTect. "Lake Tahoe is a very pristine and beautiful lake. Our detergent package will clean the engines, thereby reducing harmful exhaust on the water. Boaters will also enjoy more time on the lake, as their fuel consumption will decrease. It's a win-win for the boaters, and the environment".

More about Obexer's Boat Company:

Obexer's is the place to be for a fun-filled and memorable boating season located along the west shore in Homewood, CA. They are a full-service marina offering the following: Gas Dock, Jet Ski rentals, Boat Charters, Watersport lessons, Ramp facilities, Travel Lift & Forklift launching, summer & winter storage, Restoration shop, parts & accessories, Obexer's General Store and Deli, and The Lodge at Obexer's.

More about ValvTect Petroleum Products:

ValvTect Marine Gasoline and ValvTect Marine Premium Diesel with BioGuard are the only gasoline and diesel fuels "specifically formulated" for marine engines and marine operating conditions. ValvTect Marine Fuels are only sold at Certified ValvTect Marinas which conform to ValvTect's stringent quality control requirements. ValvTect Marine Fuel additives are also "specially formulated" for marine engines and available at marinas and marine supply dealers.
