REGULATOR MARINE ANNOUNCES GRANDE YACHTS INTERNATIONAL AS NEW DEALER FOR GREATER FORT LAUDERDALE

EDENTON, NC (October 9, 2018) — Regulator Marine and Grande Yachts International are proud to announce that Regulator's award-winning fleet will now be available at Grande Yachts' greater Fort Lauderdale dealerships in Coconut Grove, Dania Beach, and Pompano Beach.

"We are thrilled to welcome Grande Yachts to the Regulator family," said Regulator Marine President and Co-founder Joan Maxwell. "Their team shares our commitment to quality and our drive to deliver the best fishing and boating experience possible to our customers. We can't wait to kick our partnership off right at the Fort Lauderdale International Boat Show later this month!"

Since 2009, Grande Yachts has expanded from a single dealership in Maryland to include full-service locations from New York to Florida, all representing the finest premium brands in the market today. With Fort Lauderdale locations situated in the heart of some of the best fishing in the country, the company's South Florida locations are primed for success with Regulator.

"Regulator is a great fit for us," said Bryan Braley, Founder of Grande Yachts. "Quality and top-tier lifestyle amenities are critical with any brand we carry, but the fact that Regulator is a true fisherman's center console is what excites us the most."

With a reputation for reinventing the deep-vee center console and delivering a Legendary Ride, Regulator provides unparalleled fit and finish and lifestyle amenities, never losing sight of the company's sportfishing heritage. Built in Edenton, North Carolina, and tested in the challenging conditions of the Outer Banks since 1988, every model in Regulator's fleet is engineered to withstand and perform in order to give anglers and families maximum versatility in their center console.

Grande Yachts International will join Regulator Marine at the Fort Lauderdale International Boat Show October 31-November 4. To schedule an appointment and see the Regulator ride in action, contact Grande Yachts International at 754.600.5700 or visit grandeyachts.com.

ABOUT REGULATOR MARINE: Born and built to last in Edenton, North Carolina, Regulator boats are tested against the challenging conditions of the Outer Banks and delivered to locations throughout the U.S. and abroad. As manufacturers of premiere fishing boats ranging from the Regulator 23 to the Regulator 41, as well as custom patrol boats and stand outs like the "Indestructible Queen Bee" – a 26-foot boat that survived a 3-year, 3,500-mile unmanned trans-Atlantic journey – Regulator delivers American-made craftsmanship like no other. Regulators are designed and engineered for the most discriminating anglers in the world with a "no-compromise" philosophy for a Legendary Ride. regulatormarine.com @regulatormarine #offshorelife
