FOR IMMEDIATE RELEASE

November 9, 2018

--

The AM38 test boat, better known as the MULE, touches both sunlight and the sea for the first time. Half the size of the AC75 racing boats set to be used in the 36th America's Cup (Auckland, New Zealand, 2021), the MULE has New York Yacht Club American Magic, the U.S. Challenger for sailing's highest prize, flying across Narragansett Bay near Newport, Rhode Island.
