ABOUT REGULATOR MARINE: Born and built to last in Edenton, North Carolina, Regulator boats are tested against the challenging conditions of the Outer Banks and delivered to locations throughout the U.S. and abroad. As manufacturers of premiere fishing boats ranging from the Regulator 23 to the Regulator 41, as well as custom patrol boats and stand outs like the “Indestructible Queen Bee” – a 26-foot boat that survived a 3-year, 3,500-mile unmanned trans-Atlantic journey – Regulator delivers American-made craftsmanship like no other. Regulators are designed and engineered for the most discriminating anglers in the world with a “no-compromise” philosophy for a Legendary Ride. regulatormarine.com@regulatormarine #offshorelife
