MIAMI, FLORIDA (USA) – TACO Marine® is excited to announce its Project Boat Raffle Fundraiser for the I'M LOGAN IT Foundation. Tickets for the raffle are available now through November 5 – when the boat, valued at more than \$150,000, will be given away to one lucky winner during the Fort Lauderdale International Boat Show. TACO Marine Project Boat, featured on Ship Shape TV, chronicles a two-year remodeling process of a 1989 Pursuit 2650 powerboat to 2017 standards using the latest, most-advanced materials and products. This project would not be possible without the generous contributions and support of more than 40 leading marine manufacturers and suppliers, all working together to showcase their products and talents to make this a truly unique industry project.

From now until November 5, entrants can purchase one \$40 raffle ticket, or three for \$100, online at the [raffle web site](#). The winning raffle ticket will be announced on November 5 at 1 p.m. EST during the Fort Lauderdale International Boat Show. Entrants do not have to be present to win. The raffle drawing is slated for live-streaming on TACO Marine's official Facebook page. Entrants can also purchase tickets in-person at the TACO Marine Project Boat booth during the following boat shows:

- Tampa Boat Show, Oct. 13-15 • Fort Lauderdale International Boat Show booth 2000-A, Nov. 1-5
