GLASTRON ANNOUNCES TOP DEALERSHIPS AT 2018 DEALER MEETING

September 28, 2017 – Glastron led off the 2018 model year with their 2018 Dealer Meeting held in beautiful Bay Harbor, Michigan. Glastron announced 2018 awards to the top dealerships and their representatives from around the world.

Glastron was excited to announce Patchogue Shores Marina, located in Patchogue, New York, as the largest volume single location dealer in the United States, as well as the dealer with the largest year over year growth in sales for 2017.

Andy Lindsay, V.P. Sales Americas stated, “The amount of work that our dealers put into selling our products is astonishing. We are very pleased to announce Patchogue Shores Marina as this year's largest volume dealer for a single store and the top dealer for year over year growth in sales. As we move forward, we are eager to see how this 2018 season unfolds.”

In addition, it was all smiles as Wilson Marine was announced as the largest multi-store volume dealer in the United States; with their accompanied locations residing in Michigan: Harrison Township, Brighton, Howell, and Commerce.

“The amount of work that goes into providing this level of service is inspiring. Wilson Marine did a great job in becoming this year's largest multi store volume dealer and we are excited to see what's in store for 2018”, noted Andy Lindsay, V.P. Sales Americas.

Throughout the entirety of the Groupe Beneteau Dealer Meeting, September 10-12, 2017, over 280 representatives from 133 dealerships were in attendance along with representatives from Four Winns, Scarab, Glastron, and Wellcraft from around the world.

Glastron would like to thank each dealership in attendance from around the world for being a part of our Glastron family, along with providing valuable input on new product development and sales for the company.
