

Intrepid Powerboats To Debut New 407 Panacea at Fort Lauderdale International Boat Show

New day boat model combines center console fishing features and yacht-class amenities

LARGO, Fla. – (Oct. 11, 2017) – Innovative custom boat builder [Intrepid Powerboats](#) will unveil its newest model, the Intrepid 407 Panacea, at the 2017 [Fort Lauderdale International Boat Show](#), Nov. 1-5. Inspired by boat owner feedback, the 40-foot day boat blends Intrepid power and offshore performance with exceptional comfort and fishability.

“The 407 Panacea was born from customer requests for a smaller version of our versatile and luxurious 475 Panacea,” said Ken Clinton, president of Intrepid Powerboats. “Building each Intrepid in collaboration with one customer at a time allows us to incorporate our boat owner’s ideas and keep our designs evolving along with their needs.”

This center console features a large, well-appointed cabin without compromising cockpit space. Forward wraparound bow seating allows for comfortable cruising and relaxing. Equipped with Intrepid’s signature transverse stepped hull to maximize stability, the 407 Panacea delivers a smooth ride at any speed.

For maximum versatility, the 407 Panacea can be custom styled and rigged for any activity an owner desires through Intrepid’s extensive customization process.

Intrepid 407 Panacea standard features include:

- Integrated motor bracket for twin, triple or quad engine configurations
- Wood-free, PVC foam-cored construction and non-woven quad and uni-directional fiberglass fabrics both infused and hand laid to provide strength, rigidity and safety without performance-robbing weight
- Intrepid’s trademark hull-side swing-in dive door with folding ladder that makes water access easy
- Spacious console with windshield and cabin below
- Forward bow wraparound seating with electric backrest
- Cabin settee that converts to a berth with optional high-low table
- Port and starboard overhead cabin storage
- Large private head with shower
- Galley with solid-surface countertops, a refrigerator and sink
- Forward port and starboard gunwale storage
- Fully integrated foldaway rear seating

407 Panacea specifications:

- Standard Fuel: 483 gallons
- Beam: 11 ft. 1 in.
- Length: 40 ft.
- Water: 60 gallons
