

## **AZIMUT YACHTS AT THE FORT LAUDERDALE BOAT SHOW 2017 WITH A MASSIVE 18-MODEL FLEET AND THE US PREMIERE OF THE AZIMUT S7**

**Azimut Yachts will be at FLIBS 2017 with a fleet of 18 models, including the brand new S7, making its first appearance on the US market**

*Avigliana, October 18, 2017* - After its success at this season's European boat shows, Azimut Yachts takes its fleet to the United States where it will be on display at the **Fort Lauderdale Boat Show** from November 1st to November 5th.

18 yachts moored at Dock E, from the Verve 40, the weekender presented for the first time at FLIBS 2016, and the Azimut Grande 30 Metri, to all the other best-selling models from the shipyard's five Collections. The true protagonist, however, will be the new **Azimut S7** at her American debut.

Azimut S7, the new 21-meter model in the shipyard's Sport collection, is the result of a joint effort by designer Stefano Righini, who has been innovating the concept and styling of Azimut yachts for years, making them world famous in the process, and who was in charge of the exterior lines, and Francesco Guida, in his first collaboration with the Italian brand, who designed the interiors.

Azimut S7 is ideal for owners who want performance without sacrificing contemporary, sophisticated design. The use of carbon fiber in the superstructure and the pivoting platform has allowed Azimut to increase the volume of the boat while delivering excellent performance. Fast, silent and extremely manoeuvrable, the Azimut S7 introduces radically innovative solutions and is the only yacht in its segment to guarantee unprecedented space, with four spacious cabins and a garage that can contain up to two water toys.

Francesco Guida has developed the interior design by revolutionizing the solutions typically adopted on this type of boat and introducing superyacht furnishings and finishes on an extremely sporty 21-meter motor yacht. Azimut S7 is available in two different versions: Sportfly, which will be at the boat show, and Coupé.

For the duration of the Fort Lauderdale Boat Show, Azimut S7 and all the other models will be available for visits onboard, so that visitors can see first-hand the refinement of the details and finishings.

Azimut Yachts customers will also be able to enjoy a new lounge area offering special services dedicated to them.
