

## **AQUILA 36 AND AQUILA 44 TO BE AT THE FORT LAUDERDALE INTERNATIONAL BOAT SHOW**

CLEARWATER, FL (October 24, 2017) – At the upcoming [58<sup>th</sup> Annual Fort Lauderdale International Boat Show](#), [Aquila Power Catamarans](#) will be presenting the award-winning [Aquila 44](#) and the new [Aquila 36](#).

“The Aquila 36 is an exciting and very unique power cat, leading the way for another game-changing evolution in boating. Designed in partnership with the award-winning J&J Design, she utilizes a hull design that provides a tremendous amount of storage as well as social space that are complimented with cruising comforts and excellent fuel economy. Space, comfort, performance, and efficiency – you get it all with the Aquila 36,” explained Lex Raas, MarineMax President of Aquila.

On the [Aquila 44](#) you will enjoy the 360° view from the spacious salon and galley that features a large seating area, hidden TV stowage and plenty of storage to make a live-aboard or cruising easy and pleasant. Galley features include Corian countertops, electric fridge and freezer, stove, and stainless-steel microwave oven as well as a double stainless-steel sink. The large staterooms each feature ample headroom and large windows for excellent views. A freshwater flush, separate shower stall, and teak flooring compliment the boat’s design and exceptional living comforts. Additional features include an oversized flybridge with added enclosure, electric grill, and sunpad seating on either side of the central helm station and Aquila's revolutionary bridge to bow direct access.

The all-new [Aquila 36](#), launched at the 2017 Miami International Boat Show, is a power catamaran that blends plentiful live aboard space and qualities perfect for socializing with rugged strength and control. Offering the conveniences of a large yacht including topside summer kitchen with smokeless grill, the Aquila 36 has cockpit seating for over two dozen adults and two comfortable cabins with private en-suite heads. A hardtop is available with or without an opening sunroof. Powered by efficient and reliable twin 250 horsepower Mercury Verado outboards, the Aquila 36 provides spirited performance and excellent fuel economy. Or, step up to the optional twin 300 or twin 350 horsepower Mercury Verado outboards. Add its open water capabilities, wide stance and twin sponsons, and the boat is remarkably stable making it exceptionally comfortable at speed or while at rest. She has been seen around the world and now the latest model will be at the Fort Lauderdale International Boat Show!

[Aquila Power Catamarans](#) is one of the fastest growing boat brands, recently having completed their 100<sup>th</sup> boat. They are focused on expanding globally by partnering with dealers across the world.

“This is an incredible opportunity to tour world-renowned catamarans that are exclusively power. Boaters who want the comfort, stability, low draft, economy, and incredible living space of a catamaran, then Aquila is the perfect solution. As this is sure to be a popular show, we highly suggest appointments be made in advance”, stated Harry Mountain, Aquila Brand Manager.
