**Monterey Boats announces world premiere debut of the 385SE triple threat!**

**Williston, FL – Monterey Boats** 385SE will be on display at this year's 2017 Ft. Lauderdale Boat Show for its world premiere debut event. A triple threat packed full of power and amenities, outboard power has never looked so good.

Dominating the waterways with three powerful outboard motors, the 385SE demonstrates a commanding and incredibly powerful presence. With top speeds in excess of 60MPH, Monterey's newest edition is setting a new standard for outboard powered vessels in its class.

Boat show attendees at this year's 2017 Fort Lauderdale boat show will be presented with the opportunity to experience the 385SE first hand along with a broad range of models from Monterey Sport Yacht, Super Sport and M-Series line ups. This year's Fort Lauderdale Boat Show will run from November 1-5, 2017. The Monterey Boats booth will be located at Bahia Mar-H Dock, Slips 827-833.
