

CARVER YACHTS ADDS PREMIER WEST COAST DEALER AS NEWEST DEALER

Pulaski, Wisc (*November 1, 2017*) – Alexander Marine is Carver's newest dealer, selling and servicing to new and existing Carver owners from their three California and Washington locations - Seattle, WA, Newport Beach, CA and San Diego, CA. Alexander Marine is the fourth dealer to add Carver to their dealership's product portfolio offering this year.

"As the premiere West Coast dealer, Alexander Marine brings the resources and knowledge to the marketplace that Carver owners' are looking for when purchasing their boat or current owners need to get service work completed," said Rob Parmentier, Carver Yachts President & CEO.

"Carver Yachts is a great brand on a great growth curve, with a storied history, loyal following and are the perfect boats for our coasts and boating conditions for what our buyers are wanting in a coupe or bridge style boat," said Alexander Marine Vice President Ray Prokorym. "Carver is a great fit with our existing product portfolio at AMUSA providing owners with the perfect combination of space utilization, value, performance and size range," added Prokorym.

"With three picturesque backdrops and locations to start from, Alexander Marine is the perfect setting to welcome Carver Yachts, new and old, to learn what we mean when we say See the Difference or a Boat that is built better... for themselves," said Parmentier.
