

HUDSON YACHT GROUP

[Hudson Yacht Group](#) is excited to introduce the newest member to our team, company president and director of sales, Chris Doscher.

A lifelong sailor and racer, Chris comes to us with a wealth of industry knowledge and sales experience.

Chris began his career up in the clouds rather on the water, starting his own private jet charter company in 1986. He grew the company to over 400 employees and with a fleet of 40 jets worldwide and, in 2000 sold it to focus on to his primary passion; sailing! He successfully campaign his Farr 40 for 4 years, claiming gold multiple times including the Farr SORC.

Chris will divide his time between our U.S. offices and our boat yard in China and, with a busy year ahead of us, he will be an invaluable addition to the HYG team. We are very proud to welcome him aboard.

Along with the Hudson Yacht Group sales team, Chris will be attending this month's [Miami International Boat Show](#) on Virginia Key. He will be on board our latest launch, [HH55-02: Hai Feng](#).

You can find the Hudson Yacht Group booth in the multihull section of the show, **Booth 930**. If you would like to schedule some exclusive time on board, and check availability for sea trials, [contact us today](#).
