

Press Release
Premier Full Service Marina Changes Ownership
TOME'S LANDING MARINA
Port Deposit, MD

In April 2019, Tome's Landing Marina was purchased by Marine Endeavors, Inc. Tome's Landing Marina, TLM, is located in historical Port Deposit, MD, just 45 mins north of Baltimore on Interstate 95 and can be seen from the Tydings Memorial Bridge above the Susquehanna River.

Under the new acquisition, Tres & Glen Martin, of the Martin family's Everglades Marina in Ft. Lauderdale, FL, will be implementing their legacy of first class service into TLMs operations. Tres and Glen's decorated history of retailing and servicing Cigarette, Fountain, Formula, Sunsation, and many others, will bring decades of experience with these brands to the Chesapeake Bay.

TLM will be expanding their sales product line and enhancing the marina services offered to target all recreational boating segments of the market popular within the northeast/Mid-Atlantic section of the United States.

TLM will be hosting their grand opening event Saturday, June 8, 2019, 10 am to 4pm for a day full of boats, food and family fun. TLM welcomes all marine manufacturers and product line industry members to reach out and connect with us for this event. We welcome you to take a tour and experience a firsthand look at what TLMs full service marina has to offer.
