MASSACHUSETTS KIDS BOATING & FISHING WEEK – June 1 to 9, 2019

The Massachusetts Marine Trades Association (MMA) is happy to announce that “**Massachusetts KIDS Boating & Fishing week**” will take place from June 1 to 9, 2019 with a couple events taking place the weekend of 6/15 as well. This important effort encourages and promotes youth boating and fishing events around the state. This will be the third year the MMA has promoted the events and timeframe, increasing the total registered events each year (*4 in 2017, 8 in 2018*). Currently there are 9 registered events participating in 2019 which include:

The dates of Massachusetts Kids Boating & Fishing week once again coincide with Great Outdoors Month <http://www.greatoutdoorsmonth.org/> and National Fishing and Boating week

<https://www.takemefishing.org/how-to-fish/how-to-catch-fish/national-fishing-and-boating-week/>. One of the key objectives for Massachusetts KIDS Boating & Fishing week events is to highlight what boating and fishing industry organizations and businesses offer the kids in our state and to introduce new kids to the water. More than 70 percent of adult boaters started boating when they were kids, and the MMA recognizes the more kids we can get on the water in a safe and smart manner today, the better off our industry will be tomorrow.
