KOHLER Continues to Enhance its Marine Generator Distribution Network

Addition of Marine Systems Inc further strengthens company's presence throughout Northwestern U.S.

Kohler, Wis. (June 26, 2019) – KOHLER is pleased to introduce Marine Systems Inc (MSI) as the newest distributor for the company's highly regarded marine generators. Based in Seattle, MSI is now the exclusive distributor of KOHLER marine generator in a territory which includes the crucial western U.S. states of Washington, Oregon, Colorado, Wyoming, Utah, Idaho and Alaska.

"MSI is a great fit for KOHLER marine generators and we're proud to extend their advanced sales and service capabilities to our growing customer base throughout this important U.S. region," said Patrick Kline, Regional Manager – Global Marine for KOHLER marine generators. "As our comprehensive lineup of marine generators continues to evolve and expand, it's a priority for us to also enhance our distribution network to ensure delivery of the best possible service and support to our customers."

MSI represents many of the leading names in power-generation products and provides premium 24-hour support. The company is widely known in the regional marine industry for maintaining a staff of highly skilled field technicians who deliver fast and effective on-location customer service. For additional details about MSI, please visit www.MarineSystemsInc.com.

A global force in power solutions since 1920, Kohler Co. is committed to leading-edge products and comprehensive aftermarket support. The company offers a full range of power solutions – including generators, automatic transfer switches, paralleling switchgear, monitoring controls and more. KOHLER marine generators are produced in the United States and distributed globally. The company's USA, EMEA, Singapore, India, China, Australia and Brazil offices all have dedicated marine personnel supporting a network of regional distributors.
