

G.G. Schmitt & Sons, Inc. Announces Appointment of Kurt Bender to President

SARASOTA, FL – G.G. Schmitt & Sons, Inc. has announced the promotion of Kurt Bender from Executive Vice President, Marine Hardware Operations to President, G.G. Schmitt & Sons, Inc.

GG Schmitt & Sons, Inc. is a family-owned and operated business that was established in 1951 serving the marine and rail transit industries and employs 180 associates across three locations (Sarasota, FL; Lancaster, PA; Summerville, SC).

Ron Schmitt, Corporate CEO, said “Kurt brings 24 years of experience and a wealth of knowledge in marine manufacturing and boatbuilding technologies. As the Executive Vice President of GG Schmitt & Sons, Inc. for the last three years, he has been dedicated to serving the customer, establishing a culture of teamwork, continuous improvement and operational excellence producing the finest quality fabricated and superior cosmetically finished metal products available today.

“In his new role, Kurt will lead the company forward with the development and execution of business and financial strategies with continued focus on meeting the customer needs, driving operational excellence and positive employee relations - positioning G.G. Schmitt for its continued growth and success.”
