RE: Telemarketing Expansion Announcement – **IMMEDIATE RELEASE**

Land 'N' Sea is excited to announce the opening of a significantly expanded telemarketing department to be based in Chapin, South Carolina.

This new group will be made up of a Sales Director and several seasoned marine distribution telemarketing sales associates. This group will drive sales in territories not currently serviced by our existing, industry-leading, route sales force and support sales in other areas, as needed. The combined team of outside and inside sale reps will provide an unmatched level of knowledge, experience and service to the marine trade in the US.

Thank you for your continued support!
