MARINEMAX IS A PROUD SUPPORTER OF THE 4OCEAN GLOBAL MOVEMENT

CLEARWATER, FL (August 20, 2019) – [MarineMax](#) teams up with 4ocean to offer new customers a way to clean the world's oceans.

"MarineMax is a proud supporter for cleaner oceans and will gift 4ocean bracelets to new customers with every boat purchase - We are gifting our owners and the planet at the same time," explains Abbey Heimensen, [MarineMax](#) Director of Marketing. "MarineMax is constantly looking for new opportunities to support organizations that align with our values and our mission. 4ocean is a company that works on a global level to reduce pollution in our oceans. Conservation is a project that our customers, our team members, and our shareholders can get behind."

For more than 20 years, MarineMax has united a community of boaters enabling the tradition of boating to be shared with friends, families, and those we love. But with more than 7,000,000 tons of trash in our oceans, that tradition is threatened. MarineMax is proud to support the ocean cleanup company, 4ocean, and their mission to end the world's plastic pollution crisis. Each one of the 4ocean bracelets is made from post-consumer recycled plastic and glass. Wearing the bracelet symbolizes that a pound of trash has been removed from the ocean and coastlines. To see more from 4ocean, visit their website at, <https://4ocean.com/>.

"We are very excited for MarineMax's support towards a cleaner ocean," said Brenton Schulze, [4ocean's](#) Director of Sales. "By offering new customers a way to pull a pound of trash from the ocean, we hope they will be more conscious of their actions on the water and on land."

4ocean is a global company actively removing trash from the ocean and coastlines while inspiring individuals to work together for cleaner oceans, one pound at a time. Support the campaign by avoiding single-use plastics, carrying reusable bags, picking up trash, recycling at home and work, and spreading the word!
