

AIM chooses Hope 4 Hope Town in Support of The Bahamas Relief Effort

Navigating the many organizations collecting money for the Bahamas relief effort can be daunting and confusing. Here's the organization we have chosen to support.

Like many of you, the AIM Marine Group has been watching the destruction in The Bahamas from Hurricane Dorian with heavy hearts. Seeing the place where so many of us have made memories with our families and friends suffer so much has spurred us into action.

After lengthy conversations with first responders, the Coast Guard and other humanitarian relief organizations, we have decided to make a donation to [Hope 4 Hope Town](#). Please note, there are many GoFundMe campaigns using the same name; the link below is the one we vetted and have chosen to support. Contrary to what the name implies, proceeds from this organization will reach not just Hope Town but throughout the Abaco Islands.

We hope you will join us in standing with The Bahamas and supporting the recovery effort. The Bahamas have given so much to the boating community, now is the time to give back to them.
