GOLDEN BOAT LIFTS APPOINTS CFO/COO

Following an extensive search, Golden Boat Lifts has appointed Jeff Wagner as its Chief Financial Officer and Chief Operations Officer. Bill Golden, CEO and president, made the announcement.

Wagner brings nearly three decades of manufacturing operations and plant management expertise to Golden Boat Lifts. Most recently, he served as operations manager at Munters Corporation, a global leader in energy-efficient air treatment and climate solutions. Prior, he was the senior program manager at UK-based Cabham plc, one of the largest defense firms in the world. He has a bachelor's degree in business and economics from Lakeland University and an MBA from the University of Wisconsin-Milwaukee.

"Jeff's broad and extensive experience will serve Golden Boat Lifts and our customers well," said Golden. "He has a proven track record in business and manufacturing process improvement and brings the leadership, analytical and financial skills that will keep us on a strong growth trajectory."

For over 30 years, Golden Boat Lifts has engineered and built a wide range of safe, reliable and easy-to-operate lifts for vessels up to 240,000 lbs. It is the only aluminum frame boat lift manufacturer to hold quality management system-centric ISO 9001:2015 accreditation.
