Under the new agreement, Sea Pro will include as standard on every 2020 model year boat a free Boat Fix tracking device, installation and 12 months of 24/7 customer service.

“This is an absolute game changer,” said Jimmy Hancock, president, Sea Pro Boats. “We’ve always believed our customers deserve the best and we know that our partnership with Boat Fix will deliver just that, providing the ultimate in peace of mind and overall boating experience.
