[Applications now open for the Garmin College Fishing Team for the 2019 season](#)

Applications Now Open for the Garmin® College Team for the 2019 Season

SAN ANTONIO, TX (January 11, 2019) - In partnership with the ACA, Bass Pro Shops Collegiate Bass Fishing Series, Garmin International, Inc., is seeking to add four new collegiate anglers to fill the Garmin College Team for the 2019 tournament season. Garmin created this opportunity for collegiate anglers two years ago with the hopes of allowing college anglers a chance to be apart of a sponsored team.

Garmin will offer new anglers to the team \$1,000 in product and a 45% discount on an additional order of Garmin Marine electronics. Returning anglers to the team will receive \$500 in product and a 45% discount on one order of Garmin Marine electronics. In addition, each collegiate angler will receive Garmin swag (hats, shirts, decals) for the season.

The opportunity to apply for one of the four available positions will be January 11th through January 17th. The four anglers will be chosen January 21st following the deadline.

2019 Requirements:

- College angler must have a boat
- Post twice a month on social media platforms promoting Garmin electronics
- Display Garmin decals on boats and vehicles that will be going to tournaments
- Garmin logo must be visible on college jersey
- Each team must fish a total of three college fishing events during 2019 to include a minimum of one Bass Pro Shops Collegiate Bass Fishing Series events during 2019.

About the ACA

The Association of Collegiate Anglers (ACA), a division of CarecoTV, is a tournament organization created to facilitate growth, development, and structure within competitive collegiate bass fishing. The ACA created the original BoatUS Collegiate Bass Fishing Series, fourteen seasons ago, which is now the Bass Pro Shops Collegiate Bass Fishing Series, and still the longest running collegiate bass fishing series in existence. The ACA provides support to dozens of school operated regional events nationwide and owns the Bass Pro Shops Collegiate Bass Fishing Series, Bass Pro Shops School of Year Program, and associated assets. The ACA also provides the largest amount of televised coverage of any collegiate fishing series with dedicated programming on several television networks ranging from Discovery Channel, CBS Sports, NBC Sports, Pursuit Channel, World Fishing Network, as well as other regional and national networks. For more information on the ACA or the Bass Pro Shops Collegiate Bass Fishing Series, visit www.CollegiateBassChampionship.com. For more information on Bass Pro Shops, visit www.BassPro.com.
