W. E. Johnson Makes Company Announcement

February 4, 2019 - Dorel, FL - In January, Gary Work, President of W.E. Johnson Equipment Company announced that Harris Equipment is now a part of W.E. Johnson Equipment. W.E. Johnson has, for over 60 years, been south Florida's leading lift and hoist dealership, selling new and used equipment that includes; Marine Travelift, Clark, Komatsu, Doosan, Nordock and Shuttlelift. "This purchase expands our sales area to include all of Florida as well as south Georgia as Marine Travelift's full-service dealership" stated Work.

W.E. Johnson has been a pioneer in the dry stack industry for marinas and boat yards. They built their reputation as an industry leader with; industry leading products, 24/7 emergency service support, in-house factory-trained and insured service technicians, extensive parts inventory, boom service vehicles, and the training needed to keep Marine Travelift products on the job. "Our expertise in the day-to-day working of boat yards and marinas, along with Harris Equipment employees who are joining us, should provide a smooth transition through the coming months. Although we may be new to some of our customers, we have a long history in the boat handling industry," said Work.

W.E. Johnson's primary marina product line, Marine Travelift, was established in 1954, and has a long-standing reputation as a marine industry leader. They are recognized for their tradition of excellence and cutting edge technology on a global scale. Marine Travelift, an industry leader, manufactures mobile boat hoists, marine forklifts, self-propelled transporters with more than 4,000 units in service worldwide.

W.E. Johnson's mission is to provide the marina industry with leading lift and hoist equipment backed with outstanding service support.
