Their Southampton Private View will be held at the Royal Southern Yacht Club in Hamble from 16th to 20th September 2020 and will be operated with the highest safety standards to ensure the health and well-being of guests.

The exclusive, invitation-only event will have limited guest numbers to ensure a safe and secure environment and will follow rigorous social distancing and hygiene protocols. The yachts will be on display directly in front of the renowned Royal Southern Yacht Club and guests will be given the opportunity to explore these remarkable yachts in their own time.

The Oyster 565 is a sub-60-foot sailboat, designed to be sailed shorthanded by a couple or family and boasts features one would expect on a larger bluewater sailing yacht, she has the capability of fast coastal cruising as well as circumnavigating the globe.

The 75-foot Oyster 745 is perfect for offshore cruising and big adventures. She can be sailed and maintained by a small crew and is extremely versatile below decks, ensuring a sense of privacy to the discerning owner.

The Private View will give a unique first-hand opportunity to experience a variety of design, technology and specification choices of the yachts, as well as appreciating Oyster Yachts' renowned craftsmanship, engineering, build quality and attention to detail.
