

Pursuit Boats Reaches 1 Million Hour Safety Milestone

October 1, 2020, Ft. Pierce, FL Pursuit Boats, a manufacturer of luxury sport fishing and cruising boats, has hit a monumental milestone. On September 21, 2020 the company reached 1 million man hours worked without a lost time incident. This milestone was achieved over 446 days. The accomplishment is a testament to Pursuit's commitment to the safety of its workforce and the company celebrated with an awards ceremony, BBQ lunch, and a four day long raffle of 40 high-end giveaways with 10 winners announced daily on the hour.

"One of the most rewarding experiences of my role within Pursuit Boats is the ability to share in the drive and inspiration of our extended family of employees. The pride and joy exuded by the teams who build Pursuit boats every day is fueled by their dedication and refined attention to detail," said Bruce Thompson President of Pursuit Boats. "We are proud of our team and their commitment to safety and we look forward to reaching a 2 million hour milestone."

There was feeling of celebration at the plant and each department honored a stellar employee who received recognition and a gift certificate at the awards ceremony in front of their peers. The raffle prizes were spread out over the entire week and included items such as: three 70' LED TVs, Apple iPads, HP touch screen laptops, 500 watt portable speakers with lights, 300 watt JBL sound bars, Dyson vacuum cleaners, PlayStations, Xboxes, Ninja Air Fryers, surface computers and Dr. Dre beats headphones.

Special recognition was given to Angela Musiol, Environmental Health and Safety Manager at Pursuit Boats. “Angie’s dedication to our employees and to maintaining a safe environment in both plants is unyielding. She is a key force behind this important milestone and we are proud of her accomplishments and her passion.”

Under the umbrella of Malibu Boats (MBUU), the Pursuit Brand, located in Ft. Pierce, Florida, builds 14 models in the Sport, Center Console, Dual Console and Offshore series ranging in size from 23 to 43 feet. With a mission to design, engineer, tool and build the best boats on the market, the company has positioned itself as a leader in the marine industry.

With the addition of the second plant, the company is on pace to launch four new boat models a year. Most recently they added two boats to their Sport Series, the S 268 and the S 378 which is a Boating Industry Top Product recipient. The company’s next project is currently underway, and they plan to launch their largest boat model to date this October.
