### **Carling Technologies Announces the Passing of Maretron® Director of Sales, Kip Wasilewski**

**FOR IMMEDIATE RELEASE: JUPITER, FL. (November 12, 2020)** Carling Technologies is saddened to announce that its Director of Sales for the Maretron brand, Kip Wasilewski, died suddenly on October 27, 2020 near his home in New Jersey. Frank Emmett, Vice President, Carling Technologies and co-founder of Maretron stated, "It is with great sadness that I announce the passing of my colleague. Kip has made an indelible mark on the reputation and success of the Maretron brand. His product knowledge and dedication to our customers was unmatched, and he will be greatly missed." Kip had been a member of the Carling family for twelve years, first joining the Maretron team in 2008 as regional sales manager for eastern North America, and then being named Director of Sales.

#### **About Maretron®, a Carling Technologies Brand**

Maretron products are the world-class standard in vessel monitoring and control. Designed to harness the power of the NMEA 2000® marine networking protocol, Maretron seamlessly integrates a wide array of instrumentation, electronics and boat systems. The 2019 consolidation of Maretron into Carling Technologies strengthens the Maretron brand, expands the product portfolio and provides global product support to OEMs, dealers, and boaters worldwide. All Maretron products are tested and certified to the IEC 60945 standard for Maritime Navigational and Radiocommunication Equipment and Systems.
