eXchange 2021

eXchange eNews will be the only weekly frequency program sent to the largest audience of those most likely to attend the AWFS 2021 show. Why? Because it starts with the AWFS's database and grows as show registration increases. We will also augment its audience with *Woodshop News* readers—but its core comes from the AWFS's past and future attendees.

14 weekly eNewsletters

Commencing April 15th weekly - through to the AWFS Fair

Estimated Distribution: 42,000+ per week/release
(14 x 40,000 = 560,000 total impressions)

Sponsorship programs will lock-in your position for the entire 14-week (or alternating 7X) run of eNewsletters. A matching secondary ad position will also display on the article landing pages, where the full article content resides.

We all know that most eNewsletters never get a 100% read-through, but when you are there weekly, you will gain the reader's attention, increasing your brand recognition and booth traffic.
