International Marine Networking event connects marine professionals from the U.S., U.K., and Europe, co-sponsored by *Soundings Trade Only*

Essex, CT, March 22, 2021 – *Soundings Trade Only* announces that it will co-sponsor the International Marine Networking event series. The networking events will occur on the first Tuesday of each month beginning, Tuesday, April 6th, 2021 at 10am, EDT.

The event series is hosted and organized by Ben Taylor, who is also the host of the Flagship Insight show on International Yachting Radio, the host of British Marine Digital Networking, and the founder of Taylor Digital. He is based in Manchester, U.K. "This event provides opportunities for all that get involved. It's simple, it's accessible and it connects people. Person-to-person relationships will always drive business, especially in the marine industry. This is an opportunity to build those relationships," said Ben Taylor. "As we expand this networking event, we are pleased that *Soundings Trade Only* is helping us promote the opportunity to marine professionals in the U.S." The event is also sponsored by U.K. based, [Marine Industry News](#).

"With little to no travel and in-person events, Ben's networking event series will be a fun and interesting way for marine industry professionals to connect, share ideas, expertise and develop business relationships on an international platform," said Jeff Moser, editor in chief of *Soundings Trade Only*. "I fully expect that the sessions will be beneficial in providing new opportunities, relationships and perspectives."
