**Highfield Boats USA Announces Strategic Partnership
With Leopard Catamarans as Custom Tender Supplier**

CANTON, GA – JANUARY 22, 2020 – [Highfield Boats](#), the world's largest manufacturer of aluminum-hull rigid boats (RIBs), is pleased to announce that [Leopard Catamarans](#) is offering Highfield Classic and Classic Deluxe tenders to its luxury sailing and power catamarans, ranging from 40 to 58 feet. These customized Highfield tenders are branded with the Leopard logo to complement their mother yacht. The new Leopard tenders by Highfield will be featured in both builders' displays at the Progressive® Miami International Boat Show, scheduled for February 13-17, 2020 on Virginia Key in Miami, Fla. Please stop by to see them at the Highfield Boats booth: C-Tent, C231, and the Leopard Catamaran in-water docks: 964, 968, 970, 972, 974 as well as at the Leopard display at the Miami Yacht Show in downtown Miami, which runs simultaneously.

Highfield RIB on the platform of a Leopard Catamaran

Owners purchasing a new Leopard Catamaran now can order their new yacht packaged with a lightweight yet durable Highfield RIB that has been pre-selected to fit their catamaran's specific requirements for tender size, weight, and storage. Depending on the size of their new Leopard yacht, owners will be able to choose a customized 10'2" Highfield CL 310, 11'10" Highfield CL 360, 12'6" Highfield CL 380, or 12'6" Highfield CL 380 Deluxe. These RIBs are available in open configuration or low-profile helm console, powered by Yamaha outboard options ranging from 15hp to 40hp.

"We are delighted to enter into this strategic partnership with Leopard Catamarans, a world leader in the luxury yacht market," said Tom Watson, general manager, Highfield Boats USA. "Leopard Catamaran owners will be able to rest assured that their boat is matched with a high-quality, aluminum-hull RIB that will fit their yacht and serve all their needs."

About Highfield Boats

Highfield Boats has become the world's number one aluminum-hulled RIB manufacturer. Established in 2011, Highfield Boats has developed into a worldwide boat builder with a complete line of rigid-inflatable hull boats (RIBs). Highfield now offers a complete lineup of tenders from 3 meters up to 5.5 meters, including heavy-duty tenders for home on any ocean. With dealers and distributors in 38 countries, Highfield Boats has become the top choice for yacht families, yacht clubs, even international mariners.

Highfield rigid hull inflatable boats (RIBs), featuring exclusive powder-coated aluminum hulls, can trace their design heritage to the Australian line of Swift Boats. Developed to handle the tough conditions found along the Great Barrier Reef, Swift rigid-hull inflatable boats are renowned for their durability and performance.

Highfield's state-of-the-art production facility is located in [Weihai, China](#). Under European management, the facility covers more than 100,000 square feet, employs 200 staff and has adopted the latest technologies available to ensure the production of the finest RIBs money can buy.
