

We Are Back!

Formula is actively building boats again, after being closed for five weeks due to the Indiana Stay-At-Home order. With social distancing and safety in mind, we are working together to once again make your dreams a reality! We will keep you posted on what is happening here this spring and summer, but it is refreshing to get back to creating the best designed, best built pleasure boats on the water today.

We're on it!

The Newly-Designed 380 SSC with Outboard Power!

Back for more... the exciting Formula 380 Super Sport Crossover with all-new outboard power!

Although Formula was not open for five weeks due to the Covid-19 order, our team was putting the new outboard through its paces on nearby lakes. To view a quick video on this impressive addition to the Formula Crossover lineup, [click here](#)! Additionally, BoatTest.com interviewed Formula President Scott Porter on the 380 SSC's outboard performance and more. [Click here to watch](#) at 4:40!

The 380 SSC with outboard power is truly everything you want in performance and adventure!
