Worth Avenue Yachts is pleased to welcome Paul Engle to our distinguished team of Professional Sales Executives. Paul is a yachting veteran who has been a part of many milestones in the industry during his professional career. Early on he cruised around the world at the helm of many impressive motor yachts including M/Y THE HIGHLANDER, owned by Malcolm Forbes, and M/Y ENTERPRISE. More recently Paul served as President and managing partner of the Bradford Marine family of companies for over 26 years. Paul's vast network of industry leaders along with serving on the board of directors of the Marine Industries Association of South Florida will be highly valuable to his new role at Worth Avenue Yachts.

Worth Avenue Yachts' Founding Partners Michael Mahan and Brian Tansey say "We're pleased that our business model continues to attract the very best Professional Yacht Sales Executives." Paul responded "I feel honored and privileged to be a part of one of the very best yacht sale organizations in the business. This will permit me to continue delivering something that never goes out of style - quality services to our unique industry."
