

PORTO MONTENEGRO

TIVAT / JUNE 2020 / FOR IMMEDIATE RELEASE

Montenegro removes quarantine requirement for arriving yachts

- Montenegro currently **has 0 cases** of COVID-19
- The country **opens its borders** for all the countries with less than 25 people infected on 100 000 inhabitants
- All businesses and services are **now open and fully** functioning
- Porto Montenegro **fully supports all** measures currently in place

Porto Montenegro confirmed that, with the fact Montenegro currently has 0 cases of COVID-19 and with no new cases in the last 28 days, the Government of Montenegro has introduced further **relaxation measures for maritime traffic**, in particular international arrivals.

Montenegro opens its borders for all the countries with less than **25 people infected on 100 000 inhabitants**. This allows yacht arrivals from the same countries **without the need for quarantine**.

In addition to the measures related to maritime, all businesses and services **are now open and fully functioning**.

The Montenegrin Government has been extremely successful in eliminating Covid-19 from the country, as a result, **Porto Montenegro fully supports** all measures currently in place, which allow our industries to successfully operate, whilst keeping everyone safe. Implemented procedures include easily available testing on COVID-19 for all our clients and staff, special luggage disinfection for the marina and hotel guests, daily maintenance of high hygiene standards across the entire marina and nautical village.

Montenegro allows yacht arrivals from the countries listed below (as of June 3, 2020) without the need for quarantine:
