New Nautical Coatings Recognized as Top Coatings Manufacturer

CLEARWATER, Florida - July 1, 2020 - New Nautical Coatings, Inc., parent company of Sea Hawk Paints, Blue Water Marine Paints, Flexdel/Aquagard Paints and Hawk Epoxy today announced their Honorable Mention in the Paint and Coatings Industry magazine's annual ranking of top North American coatings manufacturers. The ranking is based on 2019 coatings sales.

"Being recognized by Paint and Coatings Industry magazine as a top North American coatings manufacturer is a tremendous accomplishment," said Erik Norrie, New Nautical Coatings' CEO. "In a way, this achievement mirrors that of a typical American success story. Two brothers with a passion for boating developing, manufacturing, and selling exceptional marine coatings that ultimately become recognized as the world's best.," Norrie added.

New Nautical Coatings, Inc. develops and manufactures unique products to provide professional applicators, commercial companies and end-users with the highest quality, specialty paint and coating solutions for protecting and enhancing specific surfaces. Established in 1978, New Nautical Coatings is family owned and operated with a commitment to excellence. Progressive chemistry and manufacturing processes ensure every coating surpasses market expectations while customer-driven focus provides clients with the ultimate in customer satisfaction. The New Nautical Coatings, Inc. business campus is an 8-acre facility that houses corporate offices, laboratory, production facility and a training center in

Clearwater, Florida. Sales and technical support staff are strategically located across the United States. New Nautical Coatings products are available internationally with products currently sold on every continent through a network of brand-specific distributors, dealers, and private labels.

A trendsetter of marine bottom paints, New Nautical Coatings, Inc. was established in 1978 and is dedicated to bringing only the highest quality products and customer satisfaction to today's mariner. New Nautical Coatings is family owned and operated with a commitment to excellence.
