## **Sportsman Boats Hires Greg House as Company CFO**

**SUMMERVILLE, S.C. – January 12, 2022** – [Sportsman Boats](#) announces the hiring of Greg House as company Chief Financial Officer.

“Greg is a true CFO professional with extensive marine industry experience” says Tommy Hancock Sportsman founder, President/CEO. “With the tremendous growth we have experienced over the last 10 years in business along with the trajectory of our business going forward, we are excited and honored to have a professional like Greg join our team.”

Greg House served as the CFO for Sea Star Solutions and later as Division CFO for Dometic after Dometic purchased Sea Star Solutions. “I am excited about joining the Sportsman Family and look forward to working with what is already an outstanding team,” commented Greg House.

Sportsman Boats, headquartered in Summerville, SC, builds the fastest growing line of family-friendly center console offshore and inshore boats in-class. Built with the latest designs and procedures, Sportsman offers families unparalleled performance with a dry, safe and comfortable ride. All Sportsman Boats are NMMA certified crafted with 100% composite materials and meet or exceed all strict ABYC guidelines.
