

For Immediate Release – 04/01/2021

Boater's World Marine Centers to Open New Flagship Dealership on Gulf Coast

In addition to their current locations; Boater's World Marine Centers announces that it will be opening a new superstore in Bradenton, FL this year.

With the continued success of the current locations and the accelerated development of their Boat Buying Division, expansion to the Gulf Coast of Florida will allow for more growth over the multiple locations.

On top of the brands already acquired, Boater's World is now seeking expressions of interest from Boat Manufacturers who are interested in finding out more about this premier facility.

Stewart Thompson, President, Boater's World Marine Centers stated, "The current demand in the industry leaves us in a great position to expand our dealer model to a more populated area on the coast. Our Bradenton location will be the flagship dealer with more expansions in the future. The West coast dealership will be the largest of its kind and give fantastic exposure for its partnering brands."
