

## **G.G. Schmitt & Sons, Inc. Announces Appointment of Ross Kennedy to Business Unit Director**

G.G. Schmitt & Sons, a division unit of Patrick Industries, are pleased to announce **Ross Kennedy** as the new Business Unit Director.

Prior to his arrival at G.G. Schmitt & Sons, Ross served as the Director of Business Development for Marine Concepts in which he focused primarily on vital tasks/projects such: as new product development, business strategy and successfully strengthening operations for organizational success.

Ross holds a Bachelor of Science Degree in Industrial and Systems Engineering from Auburn University and an MBA with a concentration in Strategic Management from Temple University. In addition to his remarkable educational studies, Ross has developed a wealth of experience-based knowledge in various expertise's. Such areas include advanced engineering, manufacturing operations, project management and so much more.

In his new role as Business Unit Director, he will lead the company forward with the development and execution of business and financial strategies with continued focus on meeting our customer needs, driving operational excellence, and maintaining positive employee relations. All of which, in turn, providing G.G. Schmitt the opportunity for continued growth and success.

Welcome to the team, Ross!
