

Dealer Show Announcement:

Land 'N' Sea Distributing, Inc is announcing that the Marine & RV Dealer Trade Shows for Las Vegas and Ohio will be transitioning to a live virtual platform.

After careful consideration and deliberation, we have decided to cancel the physical Land 'N' Sea Dealer Shows in Las Vegas and Ohio due to the continued resurgence of Covid-19 and rising effects of the various emerging variants.

Our number one priority remains the health and well-being of our attendees, exhibitors and employees. We feel that the current situation will make it impossible to provide the industry-leading show experience you have come to expect. In order to continuously service our customers, we will be replacing the "in-person" shows with live virtual events for Las Vegas on October 14-16 and for Ohio on November 4-5.

For dealers already registered for our Las Vegas Show:

Your registrations will automatically be transferred to the Las Vegas Virtual Dealer Show (October 14-16)

For dealers already registered for our Ohio Show:

Your registrations will automatically be transferred to the Ohio Virtual Dealer Show (November 4-5)

Our live virtual shows were incredibly informative and successful last year, and we are excited to share some new features with you over the next few weeks. We appreciate your understanding and look forward to seeing you at the virtual Show!

Respectfully,

The Land 'N' Sea Team
