Scout Hires New Internal Sales Coordinator

SUMMERVILLE, SC— Scout Boats, Inc. has hired Branson Burdette as **Internal Sales Coordinator** effective immediately.

Burdette comes to Scout with a Bachelor of Science in Business Administration from The Citadel. His previous experience as an Assembly Associate and a Team Lead in Production allows him to easily step into his new role where he will be working with production, sales teams, and dealers to organize build schedules, shipping, and payments.

"We are extremely excited to welcome Branson to the Scout team," said Scout President Dave Wallace. "We know he will be a tremendous asset to our team and his hard work and dedication will help the Scout brand continue to grow and excel."

Scout builds luxury sportfishing center console, dual console, crossover, and inshore/bay boat models ranging from 17' to 53'. Since its founding more than three decades ago, the company's goal has been to manufacture the best-built boats in its distinctive sportfishing niches. Each Scout hull is a true original, as the in-house research and design team works closely with engineering to take concepts from blueprint to production more efficiently, growing the company's world-class reputation for quality, strength, durability and value.

For more information on Scout, visit **www.scoutboats.com**; or contact Mark Jerkins at Tinsley Creative, email: mark@tinsleycreative.com; phone: 863.583.0081.
