Ring Power and Cox Marine Continue to Expand Dealer Network

St. Augustine, FL - July 13, 2023 - Ring Power and Cox Marine announce the significant expansion of their dealer network, with multiple new dealers joining in recent months. These additions mark a significant milestone in the fast-growing presence of Cox Marine Diesel Outboard engines in the Florida market.

- **World Cat of Ft Lauderdale** | Ft. Lauderdale, FL
- **World Cat of Naples** | Naples, FL
- **Stellar Marine** | Green Cove Springs, FL
- **SD Marine** | Islamorada, FL
- **Waylen Bay Marine** | St. Augustine, FL

These new partnerships further expand the availability and accessibility of Cox Marine Diesel Outboards to customers in Florida and beyond.

"We are excited to welcome World Cat of Ft Lauderdale, World Cat of Naples, Stellar Marine, SD Marine, and Waylen Bay Marine to our dealer network," said Pat Bucci, Vice President of Ring Power, Cox Marine Division"

"These dealers bring an array of diversity, a strong customer focus, and a commitment to excellence, making them ideal partners for Ring Power and Cox Marine.

Together, we will provide customers with exceptional diesel outboard options that offer superior fuel economy and performance."

The newly added dealers will offer Cox Marine Diesel Outboard engines, including the revolutionary CXO300, designed to deliver outstanding fuel efficiency and reduced emissions without compromising power or speed. Customers visiting World Cat of Ft Lauderdale, World Cat of Naples, Stellar Marine, SD Marine, and Waylen Bay Marine can expect top-notch service, expert guidance, and access to the latest diesel outboard technology.
