Win-Tron announces dates and information on their 18th annual online distributor trade show

Manasquan, New Jersey, September 29, 2022 —

For the 18th consecutive year, Win-Tron's Online Virtual Distributor Show will happen November 2nd through November 9th. The show will be live for dealers 24 hours a day throughout the duration of the event, and dealers may interact with WINTRON's seasoned sales team via phone, email or on-line chat during regular business hours.

"We are very excited about our upcoming online distributor show. When we came up with the idea of an online show 18 years ago the initial dealer response was positively overwhelming. Dealer participation has grown every year since," said Eddie Winder, president of Win-Tron.

The show will feature more than 60 manufacturers including: Fortress Marine Anchors, Hubbell Electric, Lewmar, Dual Pro Charging Systems, T-H Marine (Atlas hydraulic jack plates, G-Force trolling motor accessories, Hydrowave fish sound simulators, KONG electronic mounts & Hotfoot foot throttle) & Wave WiFi. The show will feature specials, giveaways, and more.

The Win-tron show offers dealers the opportunity to participate in a major distribution show without having to bear the cost of travelling, all of the features of the show are conveniently at the dealer's fingertips.

For more information about the 2022 Win-Tron Virtual Distributor Show, please contact Eddie Winder or Jerry Bench at 732-449-4211.

###

Wintron Electronics is a 100% wholesale only marine electronics distributor serving both the commercial and recreational boating industries. Established in 1974 by Bill Winder, Wintron is recognized as America's first 100% wholesale-only marine electronics distributor.
