“Our outstanding dealer network and their representatives work tirelessly to represent our Scout brand, and it’s an honor to award them for their successful efforts throughout the year,” said Scout Director of Sales & Marketing Alan Lang. “We’re proud to have them as part of our Scout family.”

During the dealer meeting, Scout debuted an all-new **400 LXF S-Class Li-Ion** luxury center console, and the **261 XSS** inshore/offshore hybrid bay boat model to the dealer network.

The company also held a private Customer Expo during the event where customers could test ride models and purchase. Scout sold multiple models during the event.

Scout builds luxury sportfishing center console, dual console and inshore/bay boat models ranging from 17' to 67'. Since its founding over three decades ago, the company’s goal has been to manufacture the best-built boats in its distinctive sportfishing niches. Each Scout hull is a true original, as the in-house research and design team works closely with engineering to take concepts from blueprint to production more efficiently, growing the company’s world-class reputation for quality, strength, durability and value.
