

DENISON YACHTING ANNOUNCES PARTNERSHIP WITH MAZU YACHTS FOR EUROPE AND THE AMERICAS

MONACO | December 2024: Denison is pleased to announce its collaboration with Mazu Yachts to represent their full line of carbon/sandwich SuperYacht Tenders 38' to 82' and their Steel/Aluminum Displacement Series 92DS, 112DS and 132DS. The central agency representation will cover the regions of Europe and the Americas.

With a focus on exceptional craftsmanship, innovative design, and unparalleled performance, Mazu Yachts has gained recognition as an exclusive shipyard, producing only ten boats a year and providing particular attention to detail to each of their custom-built yachts. By joining forces with Denison Yachting, the two companies aim to enhance their positions in the market and provide discerning clientele with an unmatched yachting experience.

The 92DS, 112DS, and 132DS yachts epitomize Mazu Yachts' commitment to luxury, sophistication, and seaworthiness. Each vessel within the displacement yacht series is meticulously designed and handcrafted for each owner, offering them a seamless combination of style and functionality. From their sleek exteriors to their opulent interiors, these yachts embody the epitome of elegance and refinement.

Speaking about the partnership, Denison yacht broker [Harold Del Rosario](#), who is representing the brand in Europe, expressed his wholehearted confidence in the worldwide acceptance and capabilities of the Mazu yard located in Yalova, Türkiye. "We are very excited about this partnership and look forward to introducing Mazu's highly innovative construction methods and showcasing the best in Turkish craftsmanship."

Denison yacht broker [Brandon Barnes](#), who is representing the brand in the United States, shared: "We're thrilled to introduce Mazu Yachts to the American market. With impressive delivery times, robust steel construction in the displacement series, and extensive customization options, Mazu offers American clientele a unique opportunity within this size range."

Mazu Yachts' Global Sales Director Orhun Senturk commented: "Mazu Yachts, known for its sleek, high-performance luxury motor yachts, has officially partnered with Denison Yachting, one of the largest yachting companies globally, specializing in yacht sales, brokerage, and charter services. This collaboration aims to strengthen Mazu Yachts' presence in Europe and the Americas and enhance Denison Yachting's lineup with Mazu's renowned offerings, known for their exceptional design, functionality, and craftsmanship."

"With Denison Yachting's extensive network and industry expertise, the partnership will offer a seamless buying experience for clients, who can expect better access to Mazu's unique yachts," he added. "For Mazu Yachts, this alliance represents an expansion into markets, aligning with Denison's reputable client base and market reach. By combining Denison Yachting's sales force and Mazu Yachts' innovative vessels, both companies are set to provide unparalleled yachting experiences, blending luxury, style, and superior performance for clients across Europe and the Americas."

About Mazu Yachts: Mazu Yachts has been designing and producing superyachts and tenders since 2011. A state-of-the-art shipyard facility of 7000 square meters indoor and 3000 square meters outdoor spaces accommodates carpentry shops, paint booths, and conditioning systems for creating an anti-dust environment.

About Denison Yachting: Denison has long been a leader in the yachting industry with a rich family history dating back to 1948, and the start of Broward Marine in Fort Lauderdale. Today, the company provides complete yachting services worldwide, including superyacht sales, yacht charter, crew placement, and new construction. Denison operates out of over 20 waterfront offices with a team of 90+ licensed and bonded yacht brokers. Decades of experience provide a long-term perspective within the industry and a passion for yachting.
